

# KLAF - Lafayette - Purdue University

---

## Airport details

|             |                          |
|-------------|--------------------------|
| State       | Indiana                  |
| Country     | United States of America |
| Region      | K5                       |
| Elevation   | 604ft (184m)             |
| Timezone    | GMT -5                   |
| Coordinates | 40.41230, -86.93689      |
| Type        | land                     |
| ICAO code   | KLAF                     |
| IATA code   | LAF                      |
| FAA code    | LAF                      |

## Runway info

|                        |                           |
|------------------------|---------------------------|
| Runway 10 / 28         |                           |
| length                 | 2007m (6585ft)            |
| bearing                | 97° / 277°                |
| width                  | 46m (150ft)               |
| surface                | asphalt                   |
| blast zone             | 61m (200ft) / 44m (144ft) |
| Runway 5 / 23          |                           |
| length                 | 1289m (4229ft)            |
| bearing                | 57° / 237°                |
| width                  | 30m (100ft)               |
| surface                | asphalt                   |
| displacement threshold | 0m (0ft) / 99m (325ft)    |
