## Airport details

|             |                          |
|-------------|--------------------------|
| State       | Michigan                 |
| Country     | United States of America |
| Region      | K5                       |
| Elevation   | 734ft (224m)             |
| Timezone    | GMT -5                   |
| Coordinates | 42.99296, -84.13849      |
| Type        | land                     |
| ICAO code   | KRNP                     |
| IATA code   | n/a                      |
| FAA code    | RNP                      |

## Runway info

|                        |                              |
|------------------------|------------------------------|
| Runway 11 / 29         |                              |
| length                 | 1309m (4295ft)               |
| bearing                | 99° / 279°                   |
| width                  | 23m (75ft)                   |
| surface                | asphalt                      |
| Runway 18 / 36         |                              |
| length                 | 787m (2582ft)                |
| bearing                | 174° / 354°                  |
| width                  | 78m (255ft)                  |
| surface                | grass                        |
| displacement threshold | 121m (397ft) / 364m (1194ft) |
| Runway 06 / 24         |                              |
| length                 | 751m (2464ft)                |
| bearing                | 66° / 246°                   |
| width                  | 40m (130ft)                  |
| surface                | grass                        |
| displacement threshold | 322m (1056ft) / 0m (0ft)     |
