

# MMSM - Reyes Acozac - Gen. Felipe Angeles Intl

---

## Airport details

|             |                     |
|-------------|---------------------|
| State       | State of Mexico     |
| Country     | Mexico              |
| Region      | MM                  |
| Elevation   | 7360ft (2243m)      |
| Timezone    | GMT -6              |
| Coordinates | 19.75060, -99.00496 |
| Type        | land                |
| ICAO code   | MMSM                |
| IATA code   | NLU                 |
| FAA code    | n/a                 |

## Runway info

|                        |                          |
|------------------------|--------------------------|
| Runway 04 / 22         |                          |
| length                 | 3462m (11358ft)          |
| bearing                | 51° / 231°               |
| width                  | 76m (250ft)              |
| surface                | concrete                 |
| displacement threshold | 0m (0ft) / 420m (1378ft) |
| Runway 04C / 22C       |                          |
| length                 | 4511m (14800ft)          |
| bearing                | 51° / 231°               |
| width                  | 45m (148ft)              |
| surface                | concrete                 |
| Runway 04R / 22L       |                          |
| length                 | 3500m (11483ft)          |
| bearing                | 51° / 231°               |
| width                  | 45m (148ft)              |
| surface                | concrete                 |
| Runway 04L / 22R       |                          |
| length                 | 4524m (14843ft)          |
| bearing                | 51° / 231°               |
| width                  | 45m (148ft)              |
| surface                | concrete                 |
